JoinIndia Profile:

JoinIndia an **ISO 9001:2008** Certified Company Established in 1998, Dedicated to Web Hosting, Domain Registration, , Bulk SMS Gateway, Long/Short Code, SIM Hosting, Email2Fax, Email2Phone, Instant Callback, Virtual Call Centre, Voice Broadcasting, Online Payment Gateway Services, Consultancy, Intranet, Wide Area Network, Wi-Fi & Wi-Max Solutions, Bulk Document Scanning, Storage &Management, Call Center Infrastructure , Mobile Application Developer & VAS Provider, Software Application Development, IT enabled Solutions, Remote Infrastructure Support (Data Centre) & More.

Our Mission:

It may sound unbelievable but the majority of the big companies in the IT business usually do not invest much in the development of new technologies. Instead they rely on 3rd party solutions and software. Unlike theirs, our all Webbased applicationsare created, developed and designed in-house by us. Moreover, our business approach is human-oriented in that our client support is a center factor in the quality IT service that we offer.

Why Us?

- Solid Background & Experience of past 13 years in IT Industry
- One Company which Provides Multiple Online Services at One Point
- Bulk SMS Services via Multiple Mobile Operators
- Trustworthy Business Partners
- A Complete Solution for all Your Online Presence
- Competitive Prices & 24/7 Support
- Full-Time Involvement with Customers Online Demands
- Reliable and High Speed Server Network Infrastructure
- Reliable Semi-Cluster Technology
- Multi-Language Control Panel of our Own Design
- Plenty of Useful Charge-free Features
- Possibility to Upgrade to a More Advanced Set-Up
- Unquestionable 30-day-Money-Back Guarantee
- We have Data Centre at:
  - India: Mumbai, Bangalore, Chennai, Hyderabad, Delhi
  - International: USA, UK, Canada, Singapore, Dubai
